The month of June is dedicated to the Sacred Heart of Jesus as we settle in for the Time after Pentecost. It is

a month when the world grows darker, governments and hierarchs grow more sinister in their bargain with the devil to eradicate God and His true Church. We turn then to the Son of God and implore the Most Sacred Heart of Jesus to have mercy on us, to save us in this time of great confusion and peril, the time of the Great Apostasy, where so many have forsaken God and the true Faith. Therefore, it is left to Christ's few left among the remnant, those few He will find who still have the true Faith He instituted and who practice it according to the infallible, perennial Magisterium of His Church, not conceding even one iota of compromise to the counterfeit church of conciliarism or to the demonic government that has usurped man's rights before God. It is all because of our sins that Christ died and it is because of our sins that we are receiving just punishment for abandoning Him and His Commandments. It is truly a time of Tenebrae when the darkness grows even darker. Thus it is left to us to encourage others to take up with us the heavenly weapon that, outside of the Holy Sacrifice of the Mass, is the most powerful tool we have to combat all the demonic activities in ecclesiastical and secular circles that threaten souls. The very fact so many are lukewarm and that the Lord will

vomit them out of His mouth as documented in Apocalypse 3: 16, should prompt us all to pray all the more and call upon Heaven for mercy. We must understand that the innocent will suffer along with the guilty, but the innocent who truly follow all that Christ established and are faithful to the end, even if it leads to martyrdom as it did in early Rome, England and France and so many other spots throughout the world throughout history, will be rewarded with a heavenly crown as Christ has promised and as Saint Paul affirms in his epistles.

**Consecration to
& Enthronement of the
Sacred Heart of Jesus
in the Home**

Let every Catholic home be enshrined to the Sacred Heart through the Enthronement of the Sacred Heart in the Home. Let us ask Mary to bring us safely to her divine Son, before His altar where we can receive Him Body and Blood, Soul and Divinity that we may grow in sanctifying grace to help us better focus on our mission as members of the Church Militant who will not give one ounce of concession to the conciliar church for we are Roman Catholics first and foremost and will not abandon the traditions as St. Paul asserts in 2 Thessalonians 2: 14. Let us apply our prayers, penances, sacrifices and self-mortifications for the conversion of those who are chained to the Novus Ordo, for those trapped in the tug of war the SSPX is undergoing that they will realize the true Bread of Life is only confectioned in the pre-Vatican II Traditional Latin Mass, and let us continue to pray daily the Leonine Prayer said at the end of every Latin Low Mass.
