This month of September is dedicated to Our Most Sorrowful Mother with several feasts dedicated to Mary beginning with

here Nativity on the 8th, followed by the feast of her Most Holy Name on the 12th, capped by the midpoint of the month with the Feast of the Seven Sorrows of the Blessed Virgin Mary and on the 24th the feast of Our Lady of Ransom. This plethora of feasts this month is a reminder that we must ask our Lady to allow us to accompany her in her suffering and to willingly take up our cross in doing so and in doing all we can in reparation for our sins and the sins of others. It is no coincidence that the Church places the Feast of the Exaltation of the Holy Cross and the Feast of the Seven Sorrows back to back in the midst of this month for the two are intertwined and the more we share in Mary's dolorous passion and strive to accept as she did, the more we are connected to the Cross for without such there can be no glory, no resurrection. Every moment of the day when we have time, pray a short ejaculation such as "Jesus meek and humble of Heart, make our hearts like unto Thine." And call upon His Most Blessed Mother and our heavenly mother to guard and guide us and give us strength to persevere and learn from the trials and tribulations we face each and every day in our dry martyrdom that we do not slip and choose the easier path that leads to worldly acceptance and God's disapproval. Let us ask Mary to bring us safely to her divine Son, before His altar where we can receive Him Body and Blood, Soul and Divinity that we may grow in sanctifying grace to help us better focus on our mission as members of the Church Militant to apply our prayers, penances, sacrifices and self-mortifications for the conversion of those who are chained to the Novus Ordo, that

they will realize the true Bread of Life is only conected in the Traditional Latin Mass, and let us continue to pray daily the Leonine Prayers said at the end of every Latin Low Mass. This year, in praying for the soul of America for the dire trouble she and her people are in because we have turned far away from God, that necessity is emphasized all the more and we ask all to participate in the 15 Saturday Rosary Crusade.
