In this time of Christmastide that lasts up to the Purification of Mary in the Time after Epiphany, we reflect on the Most Holy Name of Jesus as well as the Holy Family. Let us then offer our Rosaries and daily sacrifices, crosses and submission to God's holy Will to relish this joyous time for soon we will be preparing for Lent in early February. Call

upon the Blessed Mother of God to guard and guide us through this time of transition when the Joyful Mysteries are front and center from the Nativity of Our Lord to the

Purification of the Blessed Virgin Mary when the official time of Christmastide ends. Let us ask Mary to bring us safely to her divine Son, before His altar where we can receive Him Body and Blood, Soul and Divinity that we may grow in sanctifying grace to help us better focus on our mission as members of the Church Militant to apply our prayers, penances, sacrifices and self-mortifications for the conversion of those who are chained to the Novus Ordo, that they will realize the true Bread of Life is only conected in the Traditional Latin Mass.

From the Feast of the Nativity on December 25th to the Feast of the Purification on February 2nd, the official end of Christmastide, we invite you to study these **Joyful Mystery Meditations** provided by **John Gregory**
