The time between Christmastide and the beginning of Lent is considered the Time of

Septuagesima which is a time to prepare for Lent that encompasses the last three weeks of this month with Lent set to begin March 1. It is an opportunity to offer our Rosaries and daily sacrifices, crosses and submission to God's holy Will to regiment ourselves for penance and self-sacrifice and recommit to Fight 4 the True Faith against all who would oppose or compromise it. We are in a war against principalities on high who are maneuvering their pawns into place to destroy the holy Catholic Faith. Hardened hearts have crossed the threshold and overturned the order of the soul. To avoid being swept up in this tsunami of damnation we must turn to Mary, asking her to bring us safely to her divine Son, before His altar where we can receive Him Body and Blood, Soul and

Divinity that we may grow in sanctifying grace to help us better focus on our mission as members of the Church Militant to apply our prayers, penances, sacrifices and self-mortifications for the demise of Islamism and the conversion of those who are chained to the Novus Ordo, that they will realize the true Bread of Life is only confectioned in the Traditional Latin Mass, and let us continue to pray daily the Leonine Prayer said at the end of every Latin Low Mass:

Call upon Christ and His Saints in the Church Triumphant, specifically His Most Blessed Mother and our heavenly mother to guard and guide us and give us strength to persevere and learn from the trials and tribulations we face each and every day in our dry martyrdom that we do not slip and choose the easier path that leads to worldly acceptance and God's disapproval. Let us ask Mary to bring us safely to her divine Son, before His altar where we can receive Him Body and Blood, Soul and Divinity that we may grow in sanctifying grace to help us better focus on our mission as members of the Church Militant to apply our prayers, penances, sacrifices and self-mortifications for the conversion of those who are chained to the *Novus Ordo*, that they will realize the true Bread of Life is only confectioned in the Traditional Latin Mass.
